

BIFMTM
ADVANCING OUR PROFESSION

Annual Conference 2010

Joszeff Czerny
Chairman
Hungarian FM Society

21st April 2010

Dear Joszeff

On behalf of the British Institute of Facilities Management, I would like to thank you for your contribution as a speaker at this year's annual conference, held in London.

We really appreciate the time and effort that you have put into preparing for the event and contributing to its success. We would like to thank you in particular for taking the time to give your presentation on both days, which succeeded in giving our delegates more flexibility to hear from more speakers.

The parallel sessions successfully provided delegates with in-depth presentation and discussion on a variety of topics on the world that FM operates in, and instigated further discussion among participants during the networking breaks and the gala dinner.

We do hope that you were able to enjoy more of the conference and to make some good contacts, both old and new.

If you have any feedback on the event this would be most welcome as we always seek to improve the experience and benefits of our hosts, speakers, sponsors and delegates

Once again, thank you very much for your contribution and we look forward to another opportunity to work with you.

Yours sincerely,

(pp)
